

MESSAGE TO OUR READERS

Dear Friends:

MEET THE ABLE ORGANIZATION

We are pleased to bring you the latest issue of **ABLE Construction eUpdate**, our new electronic newsletter publication. This issue includes feature articles on ABLE's inclusion in Inc. magazine's top 5000 list of the fastest-growing private companies in America, as well as ABLE's participation in the Urban Green Expo '09, a look into our full-service movie production equipment and a profile of the Mansbart Brothers, managers of ABLE Power Rental, Inc.

ABLE EQUIPMENT RENTAL, INC.

ABLE Equipment Rental, Inc. is a family-owned and operated Women-Owned Business Enterprise (WBE) serving clients throughout the New York/New Jersey region. We are committed to providing safe, clean, reliable equipment and exceptional personal service. We work hard to ensure this standard of excellence is met in our daily operations and we take pride in our extensive fleet of aerial and construction equipment, including boom lifts, scissor lifts, rough terrain forklifts, generators, compressors, backhoes and earth moving equipment.

Our philosophy, "we're serious about service", has earned us a reputation in the industry for fast, on-time deliveries – often on short notice - and a premier service department that includes fully equipped, state-of-the-art, mobile repair trucks to ensure ABLE Equipment Rental is ready to repair or rebuild any piece of equipment in a timely, cost effective manner. ABLE Equipment Rental is also an authorized sales

representative for some of the top equipment manufacturers in the United States including JLG, Genie, Sullair and Multiquip.

ABLE RIGGING CONTRACTORS, INC.

ABLE Rigging Contractors, Inc. offers highly skilled **rigging services** to our clients, including crane and forklift services, warehousing and transportation. We accomplish this with the help of our top-tier professionals dedicated to the safety and on-time service for specialized rigging projects. Our licensed Master Riggers are highly experienced and excel in turnkey heavy lift and moving solutions. Our firm is constantly expanding and with new tower crane regulations, it's no wonder that ABLE Rigging has quickly earned a strong reputation in the tower crane business as a leader of compliant crane operations.

ABLE POWER RENTAL INC.

ABLE Power Rental, Inc. has an extensive fleet of mobile generators that can meet your power application needs. From 20kW to 2000kW diesel generators, we have the quietest and most robust fleet in the area today. Choose from ultra silent generators that reduce noise pollution, Whisperwatt generators with an extended fuel capacity, or onsite energy container generators which are tier II compliant, to reduce air pollution. Not only can we provide backup power, we can also provide temporary power at jobsites and special events with our many distribution panels designed to give you outlets where you need them. We recently showcased our state-of-the-art emergency service power rental division at the Office of Emergency Management Conference on May 28-29, 2009.
